

LETTER OF RECOMMENDATION

I am very pleased to write this recommendation on behalf of **Hemant Gupta**. He has been Campus Ambassador at Coding Blocks. As Marketing-Partnerships and Outreach at Coding Blocks, I work with many students who have substantial knowledge of subject. Each year I notice that only a few outstanding students offer a unique perspective and really embrace their learning of the subject matter. **Hemant Gupta** has consistently shown such a strong desire to learn that I simply could not turn down his request for recommendation. He displayed good leadership skills when involved in group projects. During several team projects, He took charge of the team. He achieved highest grade for the project work assigned and is very well liked and respected by all the members. **Hemant Gupta** continues to impress me with his knowledge, skill and dedication to his work. Please feel free to contact me if you require further information.
